Worrawan Jirathanapiwat graduated with a Master's Degree in International Peace Studies from the University for Peace, Costa Rica and Bachelor Degree in Social Work from Thammasat University, Thailand. In the past, she was an independent researcher focusing on social development and social work for several organizations. She used to work as research assistant, focusing on human rights law in the ASEAN sphere, for a professor of law at New York Law School. Currently, she is the candidate in the Master's programme of International Human Rights Law at University of Hong Kong and the course will be from September 2016 to May 2017.

She has experiences to work on research projects for years related to several issues particularly, social and policy improvement. Currently, she found Research Team for Social Development – RTSD, not profit organization working on research projects for development NGOs and INGOs, training and capacity building activities design and monitoring and evaluation. Her full-time job now is with the Southeast Asia Tobacco Control Alliance - SEATCA, a regional NGO based in Bangkok, Thailand, where she is project manager of a tobacco industry surveillance team. She was invited for oral presentation on several research topics in several countries. Worrawan sometimes works as Thai-English interpreter and translator for NGOs, INGOs and GOs. Her areas of interest are tobacco control policies in ASEAN, rights-based approach, human rights mechanism, migration, social welfare management, and monitoring and evaluation.

RESEARCH EXPERIENCE

Head, Research Team for Social Development:

May 2014 – Present

Established and lead the researcher network entitled "Research Team for Social Development" (RTSD) as non-profit organization focusing on conducting research on social development in Thailand and ASEAN.

Research Consultant:

May 2011 – Present

International Federation of Red Cross and Red Crescent Societies (IFRC) Project: “Situational analysis of migration context in the counties of the Mekong river basin (Thailand, Vietnam, Cambodia and Lao PDR)”

Do the desk review on several issues assigned by IFRC team, collect data from Civil Service Organizations working on migrant issues in Thailand and provide final report to IFRC.

World Health Organization (January – March 2014) Project: “Electronic Cigarettes in Asia: A Review of Promotions and Availability”

Did online research through at least two popular internet search engines (Google.com and Ask.com), as well as on Facebook and YouTube. By specified key words, 1,000 websites will be gathered and quantitatively analyzed within one month.

Edelman, Malaysia Office (December 2013 – February 2014) Project: “Johnson & Johnson – Listerine Marketing Strategy in Thailand”

Worked in the project focusing on marketing strategy analysis for oral healthcare product manufacturer in Thailand, my main responsibilities were to recommend a number of key opinion leaders (KOL) and organizations that the manufacturer should collaborate with for developing and expanding the business in the country.

Edelman, Asia Pacific Office (Oct 2012 – July 2013) Project: “Perception Study among ASEAN Stakeholders towards ASEAN Connectivity”

Worked in the project focusing on helping a client to develop a communication strategy covering Southeast Asia, as a prerequisite, a study was needed to assess the perception and acceptance among key opinion leaders (KOL) in each respective country. The project objective was to gather opinion and perception from South East Asia key opinion leaders regarding the prospect of regional development. My main responsibilities were to interview KOL and deliver written transcript of verbatim interview in English (nine KOLs).

Family Health International (FHI), Thailand (May 2011 – Dec 2011) Project: “Exploring gender-based violence among men who have sex with men, transgenders and male sex workers in the Asia Pacific region”

Worked with FHI, I was in part of exploring gender based violence among men who have sex with men, transgenders and male sex workers in the Asia Pacific region [Thailand 2011]. The job description was to analyze the involved information on MSM, TG and MSW in Thailand, to study in-depth about ethical concern on qualitative research, to gather data by in-depth interview and focus group discussion and to arrange data into field note and make it ready to submit to FHI headquarter in USA.
